BLAISE KOLODYCHUK PRESENTS:

NANDI BEAR TENANTS - MEGA MADNESS!

PART 5 - BAD BAD BAD BAD BADGER

Bad Badger has arrived at Mars. Ready to fill up on gas, beef jerky and seltzer before heading towards Earth where he had hoped to feast on the blood of a million cats. Bad news for Bad Badger is that Stensor and Galaxy Peanut Butter Bear have a trap set for him...

ZAAAPP!!

What is this? What kind of diabolical plot have I become entangled in?

The glow around the ship starts to spread towards the heroes. It engulfs them as well!

Oh oh!

Stensor we are getting caught in this trap as well!

I can see that, Galaxy.

What happens next?

I'm not sure.. And worse yet, it looks like I pressed the wrong button!

And with a blinding flash of light, EVERYONE is gone!

Meanwhile, on FORCLUNE'S Space Station...

You know, I think I forgot to tell them not to press the red button.

Don't worry Forclune, no one would be stupid enough to press the red button.

I sure hope not!!

Meanwhile back at the Nandi Bear Mercantile

Okay, so I got all the gum off the bottoms of the tables, I scrubbed all the baseboards, polished the silverware, and alphabetized your hat collection. Can I have a break now?

I suppose so, but only 2 minutes!!

Can I have that burrito you promised me?

HAHAHAHAHAHAHAHAHAHA!!

No.

@*#☠!

BACK IN THE UNDERWORLD

Free from the eyeball monsters and now in the throne room of Zebedah's underground tower of doom, our heroes try to bargain for her powerful Mega Gem, that may hold the key to saving Oliver's life!

So, you maggots, I hear you survived the eyeball monsters who guard my tower. You must tell me how you did it!

No chance Zebedah, but we do need your Mega Gem to save our friend Oliver from a geological fate.

Why do you think I would ever give you my Mega Gem?

Because if you don't, you will see just how much I like to dance...

.... On your face! When we take the gem from you!

Ahhh... I see. There's no way you could defeat me.

We don't want to defeat you, we just need your Mega Gem to help our friend. We will bring it back when we are done. I promise!

Promises are cheap, woman! I once knew a man who promised me that he would buy me milk, he said that he would go to the over world, get me milk, and even some strawberry syrup to make the milk taste dreamy, he left on his quest, and I waited for him to return with my prize. But do you know what happened next? DO YOU KNOW!?!

I assume he never came back and it has made you a very bitter woman ever since.

No, he came back alright, but I soon discovered that I was lactose intolerant!!

So... can we borrow the gem?

Never!! Hahahahaha!!

No!!

GRAVITY CONTROL

OFF

You shouldn't have said that Zebedah.. I seem to have found a very interesting switch on your wall.

Captain Trash hits the switch and everyone starts floating around uncontrollably!

GRAVITY CONTROL

OFF

Captain Trash! How is this going to help us?

Not exactly your greatest plan, Garbage Boy...

At least I still have the best hair...

you fools!

Why does she even have a switch to turn off the gravity inside an underground tower in the first place?

You said it Veltrax!

STREET SMARTS!

WITH VAHINI GOVENDER!

HI, I'M VAHINI GOVENDER, BUT YOU PROBABLY KNOW ME AS TV'S RACA, THE GOO SPEWING SUPERHERO IN THE NANDI BEAR TENANTS. TODAY I'M GONNA WEAR MY SERIOUS HAT AND TALK TO YOU A LITTLE ABOUT SHOPLIFTING. BUT FIRST HERE'S A LITTLE STORY ABOUT A COUPLE OF GIRLS I LIKE TO CALL JULIE AND CINDY.

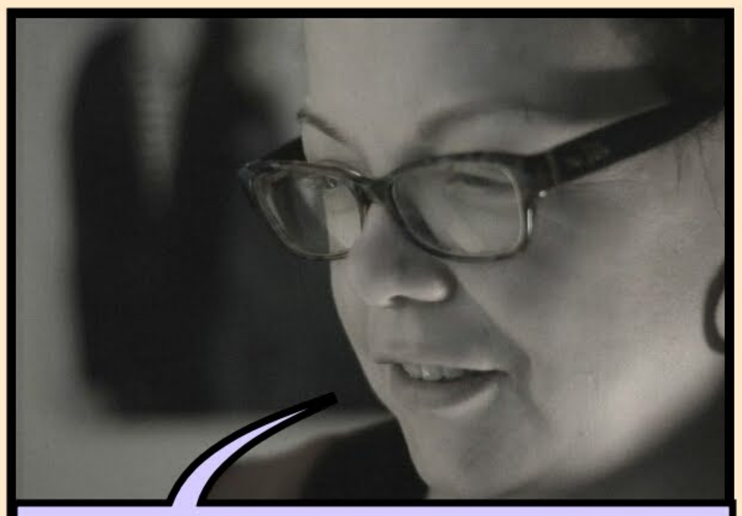
I'M FEELING FAINT FROM LACK OF FOOD. JULIE, GO GET US SOME FOOD.
BUT CINDY, I DON'T HAVE ANY MONEY, DO YOU?
JUST GO IN THE STORE AND SLIP THE CHOCOLATE IN YOUR POCKET WHEN NO ONE IS LOOKING, BRING IT OUT HERE AND WE CAN HAVE A FEAST.

WORRIED ABOUT THEIR FRIENDSHIP JULIE GOES IN THE STORE TO DO THE DEED...

SOON THE ALARMS SOUND AND CINDY FLEES THE SCENE. LEAVING HER FRIEND TO GET CAUGHT BY THE POLICE!

LATER AT JULIE'S HOUSE..

EXCUSE ME MA'AM, BUT WE APPREHENDED YOUR DAUGHTER TODAY SHOPLIFTING. SINCE IT'S HER FIRST OFFENCE I'LL LET HER OFF, BUT IF IT HAPPENS AGAIN WE HAVE NO CHOICE BUT TO PUT HER IN JAIL.



SHOPLIFTING EH?? WELL YOU KNOW WHAT OFFICER, I DON'T BELIEVE IN SECOND CHANCES, TAKE HER TO JAIL.

LOOKS LIKE JULIE IS GOING TO BE PUT AWAY FOR A LONG TIME. AND POSSIBLY EVEN WORSE, CINDY MAY STARVE. IS IT WRONG TO STEAL IF YOU ARE DOING IT TO FEED YOUR FRIEND? OR YOURSELF? IT'S A TOUGH QUESTION THAT YOU MIGHT NEED TO TALK TO YOUR PRIEST OR PARENT ABOUT. IN THE MEANTIME, TREAT EACH OTHER WITH RESPECT, AND REMEMBER THAT EVERYONE HAS A REASON FOR THE THINGS THEY DO.

UNTIL NEXT TIME,

PART 6 - KNOT IN THIS LIFETIME

Stensor finds himself walking through an unknown forest and comes to a strange little house. He looks suspiciously at it, but goes inside.

153

Hello? Is anyone here?

Hello?

Galaxy Peanut Butter Bear is nowhere to be found, but he does spy something that holds his attention...

SPACE CRUNCHIES CEREAL!

SPACE CRUNCHIES

Well I am really hungry, and no one seems to be here.. I'm sure they won't mind.

SPACE CRUNCHIES

Wow, space crunchies cereal really hits the spot.

SPACE CRUNCHIES

CRACK!

SPACE CRUNCHIES

Oh man! I can't believe I broke this chair! What kind of idiot am I? I guess the only option I got is to go find a bed and take a nap.

He walks away in search of a bed. And opens a door and sees Galaxy Peanut Butter Bear and Bad Badger both in beds and dressed like grandmas!

Hey... what's going on here guys?

Stensor.. Thank goodness, I just woke up and found myself like this.

What about you, you villainous un-dead creature of the night?

I'm as much in the dark as you guys. And honestly you are giving me a bad wrap.

Bad wrap? You feast on innocent creatures all over the galaxy!

You know I'm a Vampire right?

Yeah, so?

Yeah, so if I didn't drink blood I would die! It's just the way it is. Self preservation and all that. I'm not evil, I have just slaughtered thousands of beings because I really have no choice. What else am I supposed to do?

I'm not sure. I never really thought of it that way.

Never really thought of it that way.. Yeah, not surprised. Pea brain human.

If we get out of this we will discuss it with our friend Forclune. He is a brilliant scientist. I'm sure he could find a way to synthesize a replacement meal for you so no one would ever have to be hurt again.

I'm all for that if it will work.
